Christmas opening dates, 2004.

Our office will close for the Christmas holidays on Thursday 23rd December 2004. We will reopen on Monday 2nd January 2005.

During this time there will be no standard telephone support. All calls will route through to the on-call agent as needed. The on-call agent is available to supported customers. Ticket responses may be delayed due to remote staffing, thus allowing our staff to partake in the Christmas festivities as we hope you will enjoy too. We will endeavour to keep these delays to a minimum.

Support requests can be logged online at <http://support.burtonhosting.com>, or through your member area at <http://billing.burtonhosting.com> and clicking the support link.

May we wish you a VERY MERRY CHRISTMAS and PROSPEROUS NEW YEAR!

Best wishes,

The Burton Hosting Team
